

THE GARY POWERS FOUNDATION

"FOR BRAIN CANCER RESEARCH"

July 23, 2023

Dear Friend of Gary Powers Foundation,

We are asking for your help in supporting Gary Powers Foundation - World's Largest Tailgate Party, for the first Sunday away Buffalo Bills game. This event raises funds to help glioblastoma brain cancer patients and families. The foundation assists with glioblastoma research, financial support and travel for families affected by this disease.

The event will take place on September 24, 2023, at Sto Lat Bar at the Eastern Hills Mall. Gary Powers' love for the Buffalo Bills inspired this event, where guests can tailgate and enjoy the Buffalo Bills game and share stories with others.

We are excited to invite the Western New York Community to the first annual tailgate party.

We hope you will consider donating supplies to help us offset the costs of this event. Any food/supply donation is greatly appreciated. Depending on the donation amount, sponsorship recognition is available.

Your generosity allows us to alleviate some of the financial stress that accompanies serious illness.

Please feel free to contact Gary Powers Foundation at (716)200-2342 or (716)957-2785 for more information.

Thanks so much!

Sincerely,  
The Powers Family
